HAITI

GET WHAT YOU WANT
by **compromising** on
issues you care less about.

GIVES PEOPLE CONTROL
over their own country
and economy.
Includes everyone.

COMBINES the POWER
of various factions to get
what they can't get alone.
Solves ALL issues.

FOCUSES the POWER
on a single common goal,
RATIFICATION,
in ONE national deal.

VALENTINE

Valentine is a political philosopher and philanthropist who has dedicated his life and fortune to helping others. Beginning at age 17 he spent 50,000 hours over 45 years to research, study and solve the problems of the world's countries from the point of view of the individual. In his youth he traveled the world to live with the people and study the governments of many different countries.
